

# National Trust

# Our organisational memory

- Business archives and records
- Property archives pre and post NT ownership
- Archaeological archives including objects
- House collections

# Strategy 2014-2018

Sophie Houlton – Archives and Records Advisor

**Our vision for Archives and Records is that they will be trusted, accessible and efficiently managed assets that support our core purpose of preserving and interpreting our properties, landscapes and collections.**

- 14,000 boxes held by offsite storage company 'Wansdyke' an old stone quarry near Bath
- Wiltshire and Swindon History centre
- Property pre NT archives eg family papers are sent to records offices
- Some original archives are still held at properties
- Archaeological archives are either held in house, are still with tenants, are sent to museums and records offices.
